

**Application for the Gifted Advisory Committee for
King George County Public Schools**

The Gifted Advisory Committee (GAC) is an organization established by the Virginia regulations for gifted education (§ 22.1-18.1). The purpose of the GAC is to annually review the local plan for the education of gifted students and determine the extent to which the plan for the previous year was implemented. The GAC also provides a written annual report for the School Board and Superintendent.

The KGCPS GAC meets a minimum of three times a year. Members commit to serving a one-year term representing one of our schools or the community.
