

BOARD - STAFF COMMUNICATIONS

In order to facilitate open and effective communications between the King George County School Board and its administrative staff and the employees of the Division, the Superintendent will annually:

1. Schedule meetings between the Board and the faculty and staff of each school, as requested;
2. Schedule one or more Division-wide meetings between the Board and employee groups to include but not limited to the King George Education Association during the budget development process (November - March).

Issued: May 11, 1992

Reissued: November 1, 2000, March 24, 2004, February 22, 2006
