

PROMOTION/RETENTION

In general, student's shall progress from one grade level to another based upon their achievement of the basic skills and other evidence of growth as determined by the teacher, principal and other supervisory personnel.

SECONDARY SCHOOLS

Students in the secondary schools shall, by the satisfactory completion of courses, accumulate units to be applied towards graduation. State accreditation standards specify the units of credit that students must attain to qualify for graduation.

RETENTION

When retention appears likely, appropriate steps shall be taken to see that the parents or guardian are informed in advance that retention may be necessary.

Adopted: June 22, 1992
Revised: March 23, 2005
