

Technology Committee Agenda Items

October 25, 2016

Attendees - Ameer Mir, Dan Hopper, Daniel Palmateer, David Vogel, Hillary Haff, Jennifer Lorentz, Jessica Wilkerson, Kathy Carr, Ken Novell, Kristy Cowan, Rebecca DiStefano, Sierra Hoskins, Yvonne Richard

1. Welcome/Introductions
2. Purpose of this committee - Advise the School Board of technology trends, issues and future plans and preparations.
3. Board Presentation - Mr. Hopper will present to the board a presentation overviewing the accomplishments of the department over the past year and concerns for the coming years.
4. Budget 2017-2018 - ITL's are developing school needs with Mr Hopper. A budget will be developed and presented at the next meeting.
5. Additional Staff Needs - Standards of Quality states that we should have 1 technician for every 1000 students, we only have 3 but qualify for 4. Mr. Hopper has requested this position for two years now and it has not been approved. He will submit again in this next budget cycle.
6. Current Issues we are working on
 - a. Long logins on Windows machines
 - b. Browser Open Times
 - c. Office Open Times
7. SSO Changes - Email will be removed from SSO as requested from staff.
8. Technology Plan Preparations Due 2018 - We have to wait until the state approved their plan before we can start on ours.
9. Other Business
10. Next meeting is set for 11/30/16
