

STAFF HEALTH

As a condition of employment every new employee of the School Board including teachers, cafeteria workers, janitors and bus drivers, must submit a certificate signed by a licensed physician, physician assistant, advanced practice registered nurse, or registered nurse stating the employee appears free of communicable tuberculosis. Volunteers may be required to provide such a certificate.

After consulting with the local health director, the School Board may require the submission of such certificates annually, or at such intervals as it deems appropriate, as a condition to continued employment.
