

MULTIMEDIA INSTRUCTIONAL RESOURCES

Teachers shall preview all multimedia resources prior to utilizing with students.

All multimedia resources utilized shall be: (a) age appropriate, (b) absent profane language or nudity, (c) relevant to the curricular standards associated with instruction. Multimedia resources that are rated PG-13 or TV-14 may be utilized for instruction in grades 9-12 only provided the parents/families of students are notified at least two school days prior to the resource being shown. Multimedia resources that are rated R, X, or TV-MA are not to be utilized. Parents shall have the opportunity to opt their student out of viewing the resource in which case an alternative activity shall be made available.
